Kelteks d.o.o.

INo:	41431665528
Address:	Dr. Slavka Rozgaja 3, 47000 Karlovac, Croatia
Plant:	**Kelteks d.o.o.**
Address:	Dr. Slavka Rozgaja 3, 47000 Karlovac, Croatia
Job No:	Z060260026

the Authorized Body has reviewed documents submitted by the manufacturer, performed the initial type-testing of the product sample, performed the initial inspection of manufacturing plant, assessed factory production control and has stated, that

- this product fulfils the requirements derived from related essential requirements given in the above mentioned Government Decree and detailed in the National Technical Assessment:
  - NTA No. 060-063055 of November 6, 2026, issued by the Authorized Body 204, with validity up to November 30, 2029
- the factory production control complies with technical documentation and ensures that products put on the market meet the requirements laid down in the above mentioned National Technical Approval and comply with relevant technical documentation according to Article 4 Clause 3 of the above mentioned Government Decree.

The Product Certification Report No. 060-063056 of November 10, 2026, containing the conclusion of the findings, assessments, test results and description (eventually sketch) of the product necessary for its identification is to be considered as an integral part of this certificate.

This certificate was first issued on November 10, 2026, and remains valid as long as the requirements given in the National Technical Assessment referred to hereinabove or the manufacturing conditions in the factory or the factory production control itself are not modified significantly, unless suspended or withdrawn by the Authorized Body.

The Authorized Body performs at least once a 12 months the surveillance of proper function of the factory production control at the manufacturer, selects samples at the factory and performs an audit-testing of samples to assess whether the characteristics of the product comply with the National Technical Approval according to Article 5 Clause 4 of the above mentioned Government Decree. The Authorized Body shall issue a report on the evaluation of surveillance and forwards it to the manufacturer.
